

Dear Students, Parents, and or Guardians,

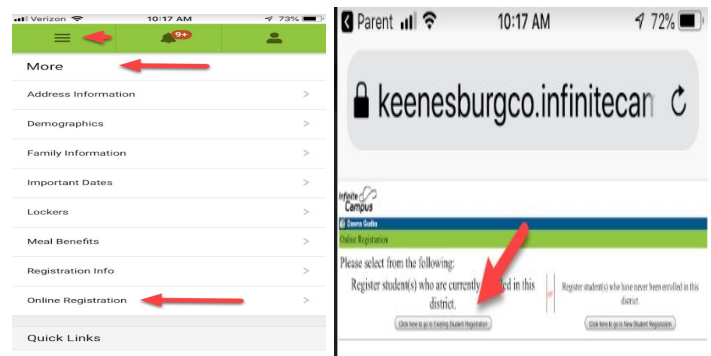

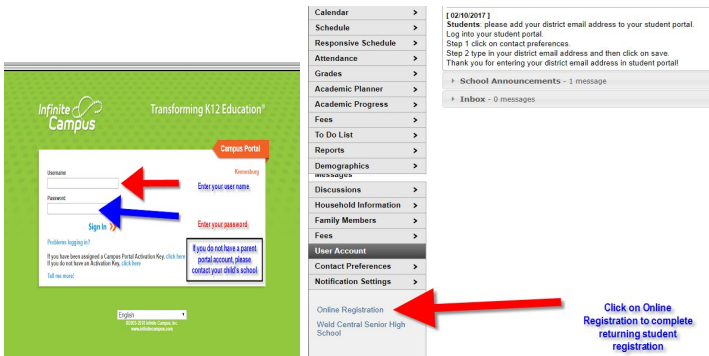

Weld Re-3J schools are getting ready for the 2019-2020 school year! In an effort to be more prepared for our students, we are once again utilizing our early online registration process for returning students. Please log into your parent portal in Infinite Campus and complete the registration process for your child. New this year, you can now complete this process through the mobile app. The online registration is now available in English, and in Spanish.

Follow if using a computer to log into IC:

Follow if using the new parent app on your mobile device:

After completing the returning registration online process, students will be able to access information, in August, just prior to the start of the 2019-2020 school year. Information such as classroom teacher name or class schedule should be available in Infinite Campus Parent and Student Portal.

Please contact your child's school office if you have any questions about the returning student registration process or need assistance with your parent portal account. If your child will not be returning next year, please complete the section right after entering your home phone number asking if your child will be returning. Please complete the returning student online process by **April 15th, 2019**.

Thank you in advance for your cooperation.
